SUMMARY

Dedicated and results-driven DevOps professional with 3.5 years of hands-on experience in optimizing and streamlining IT operations. Seeking a challenging role to leverage expertise in DevOps technologies and cloud infrastructure to contribute to a dynamic team.

TECHNICAL SKILLS

- PySpark, Python, Snowflake
- Azure Databricks, AWS
- ETL Development, CICD
- Data Pipeline Optimization
- GitHub, MS SQL Server, Shell script

- Docker, Kubernetes
- Gradle, Maven, Redwood RMJ
- Ansible, Terraform, Jenkins

PROFESSIONAL EXPERIENCE

DevOps Engineer, Capgemini   **June 2022 - Present**

- Streamlined the CICD pipeline for microservice based applications using Gradle, resulting in a 20% reduction in build and deployment times.
- Strong experience in containerization of microservices architecture applications where I have containerized services of two development teams.
- Implemented infrastructure as code for the microservices and the Kubernetes infrastructure on AWS.
- Strong experience in AWS and AWS networking such as VPC, Load Balancing, Compute and IAM.
- Collaborated with cross-functional teams to optimize workflows, improving data quality and
- operational efficiency.
- Introduced version control best practices with Git, improving code collaboration and traceability. Helped teams with branching strategy.
- Setup a terraform remote backend and locking mechanism for the organization using AWS S3 bucket and DynamoDB.
- Experience with terraform remote state management for multiple development teams.
- Experience working with multiple programming languages such as Python and Node JS.
- Implemented automated scripts to ensure efficient data flow and integration from various sources to Snowflake.
- Performed Test Deployment and the Production deployment every week ensuring smooth operations across teams.
- Worked closely with cross-functional teams to design automation for seamless data integration.

EDUCATION

CSIBER, Kolhapur   **Aug 2018 - 2021**

Master of Computer Applications [MCA]

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Marathi
- **Certifications:** AWS Cloud Practitioner, AWS Database Specialty, Azure Data Fundamentals
- **Awards/Activities**: Achieved first prize in Entry Level Capgemini Training program, Recognized as a "Rising Star" in 2024 for outstanding performance and contributions for (I&D).
